BNI (Business Networking International) is *the largest referral networking organization in the world*. BNI provides a positive, supportive, and structured environment to exchange quality business referrals. We offer members the opportunity to share ideas, contacts and most importantly, business referrals.

Last year Members of BNI passed thousands of referrals, which generated billions of dollars worth of business for each other! BNI is a business and professional referral organization that allows only one person from each profession to join a chapter.

We invite you to visit our chapter to see if BNI is the right organization for you!
